If you are studying over two academic years (MA Forged Metal and MA Contemporary Crafts), the loan will be split equally and paid in three instalments, directly to the student each academic year. Students must be aged under 60 years old at the start of the academic year (1st September 2026) to be eligible for a Postgraduate Loan.

You will not be eligible for a Postgraduate Loan if you have already achieved a Master's Degree, or a qualification that is equivalent or higher.

Disabled Students' Allowance

Disabled Students' Allowance (DSAs) is funding to cover study related costs if you have a disability or a specific learning difficulty and can include support for dyslexia. DSA's do not depend on your household income and what you receive depends on your individual needs. For further information see: <http://www.gov.uk/disabled-students-allowances-dsa>
